

Everton Against Other League Clubs

Everton have played 69 clubs in the Football League since 1888-89. Below is their record against each club. Some clubs have changed their names (eg Small Heath became Birmingham then Birmingham City) and some clubs modified their titles (eg Leicester Fosse became Leicester City). In all cases the last name used by each club covers all games under previous names. Since 1981-82 three points have been awarded for a win.

A percentage success-rate is therefore shown instead of a points-won total.
